**Venturo Custom 2012 International Terrastar SFA 4x2
Workforce Service Truck Available Now!**

The 2012 International Terrastar is more than just tough. It has a Maxx Force 7 V-8 engine, built especially for medium duty applications. Our service truck features a Venturo HT40KX-P 20' fully hydraulic corner mounted crane and body package to keep your business moving forward.

Visit www.venturo.com for more details about the truck and to see more photos.

VIN #: 44863
STOCK #: 10750

To find out more about purchasing the truck, please contact our Sales department today at 800-226-2238, or email us at internetsales@venturo.com.

** And if you haven't done so already, check out the **new** Distributors Only section of our website and register for your username and password. (Note: If you had a username/password for our old site, you will need to re-register and create new login information.) As always, if you have any questions, give us a call.*
